CHLOE KAUFFMAN

POWAY HIGH SCHOOL

As a Titan Ambassador, I stand for total acceptance of others no matter your background. At Poway High, I helped found the Black Student Union (BSU) where I provided black students on my campus a safe place to communicate to others who shared the same experiences and cultures. Along with BSU, I have been a part of Peer Counseling where I have had the opportunity to get to know and understand people from different cultures, religions, and races while acquiring skills such as leadership and listening skills to be able to counsel students in need. Being a member of BSU and Peer Counseling has equipped me with the necessary skills and attitude to enlighten kids about character and become a role model in my community. As a Titan Ambassador, I hope to demonstrate to kids from different backgrounds that if you put in hard work to whatever you are doing, success is possible.

DALLIN DUNN

RANCHO BERNARDO HIGH SCHOOL

As a Bronco Ambassador, I stand for making good choices for a better future. I have participated in football, basketball, track, volleyball, choir, clubs, musical theatre. These groups at Rancho Bernardo High School have opened my eyes to the joy found in being part of something bigger than myself. I have received medals and honors from sports teams and different programs, but my greatest reward is working alongside these people during happy and difficult times. RBHS academics offered me many different classes that helped me discover talents and develop different skills.

Being a Silver Star Recipient (4.0 or higher GPA) is a wonderful honor. In my community, being involved in Church and Scouts has encouraged me to be responsible, respectful, and grounded in good values. One set of principles that will stick with me for the rest of my life is, B.L.U.E. This acronym is from the RB Football Program and stands for being - Brave, Loyal, Unrelenting, and Enthusiastic in every situation. We all have the power to, "Take Action", and make something better out of what we have. I believe all we need to do is ground ourselves in good values and believe that we have great the potential to make a Better Future.
